

IVVP

The IVVP report lists the vendors set up in BSMGR for inventory purposes. In an effort to "speed" up the start up time it takes to get BSMGR up and running, we have entered many vendors for you. We encourage you to print them out on this report so you can see which vendors are already set up. Remember, even the vendors we have set up for you still need your store's account number, your shipping instructions and your store's back order instructions, etc.
